

PRESIDENT'S BROTHER-IN-LAW NAMED IN CHARGE

CORONER HITS ATTENDANTS AT STATE COLONY

Death of Patient Friday Morning Brings His Attack.

Coroner S. J. Whetston yesterday afternoon while conducting an inquest over the body of Norman Shea, patient of the Dixon state colony, scored the manner in which these unfortunate are cared for by the attendants. Charges of inefficiency, neglect and disobedience to rules were made by the county official when he was summoned to Dixon to investigate the second death within a period of four months at the state institution, saying it was shown that the patient had not received proper attention.

In concluding the inquest, Coroner Whetston said it is plain that radical changes are necessary immediately to insure efficient and proper care of the unfortunate of the state who are quartered at the Dixon colony. He in no manner censured the physicians or supervisors, but directed his remarks to the transient corps of attendants who are left in charge of the wards.

The ire of the coroner was aroused when Louis Shane, attendant in one of the wards at the colony, in his testimony, stated that at 11:30 Thursday night he discovered Norman Shea, a 19 year old patient lying on the floor beside his bed and not until 3:30 Friday morning did he make an effort to put him back in his bed. At the early morning hour Shane testified that in making the rounds of the ward in his charge, he came to the patient and asked him if he cared to get back into bed. Receiving no answer he went his way and about two hours later the patient was found to be dead.

"This is the second death that has occurred at the colony within four months which was due to negligence upon the part of the attendants," interrupted the coroner. "I am not censuring the doctors or any others than these attendants. I believe sincerely that these poor unfortunates are entitled to humane care and should not be permitted to lie around the floor the greater part of the night without some attention."

Cities Former Case
About four months ago a patient was permitted to leave his bed and climb over a wall into the bath room where he was found drowned in the bath tub the next morning by another patient. The attendant was asleep a part of the time and according to his own testimony did not search for the patient when he missed him from his bed. This attendant was removed by the department of public welfare.

The testimony introduced at the inquest yesterday afternoon by Dr. Warren Murray, assistant superintendent was heard by the jury. Louis Shane, the attendant in the ward testified that he came on duty at 10 o'clock Thursday evening. According to the rules, he and the attendant going off duty are required to check over the patients in their ward but this was not done. About 11:30 Shane noticed the deceased patient lying on the floor, but did not try to return him to his bed on account of the fact that he was of a quarrelsome disposition.

Was Alive at 3:30 A. M.
At 3:30 Friday morning in making the rounds of the ward, he stated the patient was still lying on the floor. This time Shane spoke to him, asking the patient if he preferred to get back to bed, but received no answer. Shane declares that the patient was alive at that time, stating that his eyes were open and that he was breathing. Receiving no reply to his question he paid no further attention to the case until about 5:30, when he discovered that the man was lifeless. Mrs. Francis Combs, one of the nurses was the first to be notified and she in turn summoned Dr. Warren Murray, assistant superintendent, who arose and went to the ward, arriving about 6:30.

Dr. Murray stated that upon his arrival at the ward he examined the body and that life was extinct. He then notified the coroner and the body was removed. The jury after hearing the evidence, returned a verdict finding that death had been caused by an epileptic convulsion.

The assistant superintendent told the coroner and jury that the attendants were required by rules to canvass their wards before leaving their posts accompanied by the attendant coming on duty and report conditions as they found them. This rule was not obeyed in the case investigated yesterday.

The body of the unfortunate patient was sent to the home of his mother in Aurora this morning. Funeral services and burial will take place Monday.

BUYS CHARTERS LOT.

Benjamin Schildberg has purchased from Mrs. James Charters one of the choice building lots of the Charters property on East Boyd street.

MILITARY FORCE AT DIRECTION OF LEAGUE PLANNED

Belgian Says Time for Disarmament Has Not Come.

Geneva, Nov. 20. — (By Associated Press) — An international military force with an international staff was proposed to the assembly of the League of Nations today by Senator Henri Lafontaine, of the Belgian delegation.

Senator Lafontaine had somewhat startled the assembly by declaring: "It is necessary to say frankly to the people that the time for disarmament has not yet come."

Before the world could disarm, he added, "entirely different ideas than those that prevailed before the war must be inculcated and applied."

He promised that the armaments and armies be comprised in an international force with an international staff, ready to be used "in the cause of right" in such a case as arose from the present situation in Armenia.

To Revise Covenant.
The first formal step looking toward the revision of the covenant of the League of Nations was taken by the assembly of the League at today's session. The Dutch minister of foreign affairs, H. A. Vankarnbeek, introduced a resolution for reconsideration of Article XVIII having to do with the registration of treaties.

The resolution provides that the reconsideration be conducted either by the assembly itself or by a committee to make the meaning of the article clearer.

Jonkheer Van Karnebeek first called attention to this article of the covenant at yesterday's session. He said there were several interpretations of the article, which in brief provides that treaties between nations shall not be binding until they are registered with the League and proposed that it be studied carefully with a view to its clarification. (The text of Article XVIII reads: Every treaty or international engagement entered into hereafter by any member of the League shall be forthwith registered with the secretariat and shall as soon as possible be published by it. No such treaty or international engagement shall be binding until so registered.)

Urbana High Eleven Won Title Contest with Peoria Friday

By Associated Press Leased Wire
Peoria, Nov. 20.—Urbana high school defeated the best Peoria high school eleven for the downstate prep school here yesterday afternoon 13 to 7. Urbana with a heavier team plucked the line for the two touchdowns in the first 19 minutes of play. Two pretty forward passes in the third quarter gave Peoria high its touchdown. Approximately 8,000 rooters witnessed the game.

Mrs. Camp Broke Hip in Fall in Chicago

Mrs. Edmund Camp of Chicago, well known here and a former Dixon resident, suffered a painful accident a week ago today. She and her daughter, Miss Bess Camp, were leaving for a matinee to see Ethel Barrymore, when she slipped on a rug on a polished floor and fell heavily. This fall resulted in the fracture of her hip. Just a year ago Mrs. Camp fell and broke the other hip. She is now at the Columbus Memorial hospital.

WEATHER.

SATURDAY, NOV. 20, 1920
By Associated Press Leased Wire
Chicago and Vicinity—Fair tonight Sunday increasing cloudiness probably becoming unsettled by night; continued mild temperatures; lowest tonight about freezing; moderate southwest winds.

Illinois—Fair tonight; warmer in south portion; Sunday increasing cloudiness becoming unsettled by night in north portion; moderate temperature.

Wisconsin—Rain tonight and Sunday; not much change in temperature, fresh to strong northeast wind.

Iowa—Increasing cloudiness with rain beginning late tonight or Sunday; cooler Sunday afternoon or night.

FORECAST FOR NEXT WEEK
By Associated Press Leased Wire
Washington, Nov. 20.—Weather predictions for the week beginning Monday are:

Region of the Great Lakes—Normal temperature; generally overcast and rains and snows Wednesday or Thursday followed by considerably colder.

Upper Mississippi and Lower Missouri Valleys—Generally fair weather and normal temperature first part; rain or snow about Wednesday followed by fair and colder.

LOCAL TEMPERATURE
The range of the local temperature during the 24 hour period ending this morning was between 63 and 28 degrees above zero.

INSULL SPEECH HERE IS ATTRACTING MUCH NOTICE IN VICINITY

Future of Public Utilities Makes His Visit Significant.

Visitors from the utilities men, bankers, newspaper men and city officials of Sterling, Freeport, Morrison, Amboy and other cities have signified their intention of hearing the speech to be given by Samuel Insull to the citizens of Dixon next Tuesday evening.

With the likelihood that the Utilities Commission will be replaced by home rule of public utilities, a live interest in the problems of the utilities companies is being shown at many points in Illinois. The Chambers of Commerce and the Rotary clubs of Champaign and Pekin sponsored meetings in the two cities given over to a discussion of these problems. These cities imported speakers, but are not so fortunate as to obtain men who can rank with Mr. Insull.

In Early Days
A letter written by Mr. Insull to a friend in England in May, 1881 is today very interesting to us, who take electric lighting facilities as a matter of course. Also it gives us a view of Mr. Edison by his private secretary in which capacity Mr. Insull, then a young man of twenty-one, was serving. "You ask me about electric light. Well I have seen 700 lights burning, the current generated from the same dynamo-electric machine for the whole lot, all of them getting their current from the same mains (i. e., street cables of no less than eight miles in length. Mr. Edison gets eight lights, or thereabouts, of 16 candles each per indicated horsepower, which allows of his competing with gas."

The district which he will light up first in New York has about 15,650 lights. * * * So you can imagine what Mr. Edison has to do, as he is the mainspring and ruling spirit of everything. And you can imagine also what I have to do as his private secretary. We work every night till the small hours, and today (Sunday) is the first Sunday I have not been at the office; and even here we are at work, as between the intervals of writing this letter I am taking notes of a lot of data he wants before I go to bed tonight. I have got right in with Edison in the same room with him, assist him in everything, and am his private secretary in every sense of the word. People say that he likes me very much; but time must be left to prove this. Johnson says my success is assured, and last, but not by any means the least, I am absolutely satisfied that I did the right thing in coming here."

Reports of Wild Time in Dementtown Being Investigated By Cops

The police department is investigating complaints received by them from residents of Dementtown concerning a party of local celebrities who staged a wild celebration and general free-for-all fight Thursday afternoon in the vicinity of the Northwestern depot. Torn clothing, discolored optics and bruises are said to have decorated the majority number of the party who raced up and down Depot avenue in a high powered car at a rate of about 50 miles an hour.

Near the depot the parties are said to have become involved in an argument with the result that several blows, some well directed, were exchanged. It is said that some of the parties are keeping "under cover" while black eyes are slowly recovering their natural color.

Water Rate Hearing in Chicago Yesterday

Mayor Mark D. Smith, City Clerk Blake C. Grover, Commissioner Frank D. Palmer of the department of public finances and Attorney Mark C. Keller representing the legal department in the absence of City Attorney Robert Scott, returned home last evening from Chicago, where they attended a hearing before the members of the state public utilities commission. The hearing was in the matter of the petition of the Dixon Water company who are asking for increased rates, the petitioner being represented by George W. Hawley and Attorney Henry S. Dixon. The hearing was continued until Dec. 5 when the commission will doubtless hand down its ruling.

TWO FAMILIES WIPED OUT BY FIRE THIS MORN

Nine Lives Lost When N. Y. Apartment Was Burned.

New York, Nov. 20.—Nine persons, constituting every member but one of two entire families, lost their lives here early today in a fire which destroyed a five story apartment house. Fourteen other families escaped or were rescued by firemen.

Originating, fire authorities say, on the first floor of the brick structure fire swept up through open stair ways cutting off escape through the halls. Nearly a 100 men, women and children, clad in night clothes swarmed the fire escapes, some making their way to the ground while others huddled terror-stricken on platforms in mid-air until carried to safety.

All the dead were found on the fifth and top floor after the flames had been controlled. They are:

Raphael Gebbia, his wife Anna, and their four children, Carmela, Frank, Lena and Jenny, who ranged in years from 7 down to 1 and a half, Mrs. Ada Frank, Mrs. Bertha Reynolds, her sister, and Ruth Reynolds, a girl of 16.

Charles Frank, overcome by smoke, fainted over a window sill and was dragged to safety by a man who drew him across the narrow open space. Mrs. Dora Schofield, living on the second floor, escaped with minor injuries.

Robert Walker, a neighbor resident, climbed a fire escape before arrival of firemen and carried to safety an infant which had been abandoned in its crib by a family living on the second floor.

PREMIERS WILL MEET TO FRAME NEW POLICIES

Grecian and Near Eastern Situations to Be Discussed.

By Associated Press Leased Wire
Paris, Nov. 20.—Premiers Georges Leygues and David Lloyd George of France and Great Britain, probably will meet in London soon for a conference which is considered necessary because of the serious situation in the Near East. The conference will determine upon joint action relative to three questions—the defeat of Premier Venizelos in Greece, which brings into question the status of the Greek army in Asia Minor; the advance of the Russian Bolsheviks in the new states of the Caucasus region particularly the co-operation of the Bolsheviks with the Turkish Nationalists and the consequences of the defeat of General Baron Wrangel, head of the south Russian government.

"KING 'INTOLERABLE'"

By Associated Press Leased Wire
Paris, Nov. 20.—Paul Cambon, former French ambassador to Great Britain, submitted to the French foreign office yesterday a note declaring the return of former King Constantine to the Greek throne would be "intolerable." He said that if such a step was imminent Greece should be warned the allies could not maintain friendly relations with her.

M. Cambon proposed that Premier Lloyd George and Leygues meet soon to examine questions relative to the Near East, especially the carrying out of the treaty she negotiated with the allies.

Says Present League is One of Conquerors

By Associated Press Leased Wire
Buenos Aires, Nov. 19.—The newspapers today publish a letter written by Dr. Emilio Freraz, a prominent publicist, to Nicholas Murray Butler, president of the American Association for International Conciliation, in which he praises the attitude of President-elect Harding toward the present League of Nations and pleads for a new league with "a more democratic organization."

The writer characterizes the present league as only a league of conquerors for the exclusive use of themselves.

Kidnapper Given Life Imprisonment

By Associated Press Leased Wire
Norristown, Pa., Nov. 20.—August Pasquale, "Tel. Frank" in the Caughlin kidnaping case, was sentenced to life imprisonment this morning by Judge Schwartz in Norristown court. Pasquale pleaded guilty a his trial to second degree murder and kidnapping for extortion.

He stole Blakely Caughlin, the 13 months-old-boy of Mr. and Mrs. George H. Caughlin from their home near Norristown in June last and smothered the infant under his coat. He was sentenced on the kidnapping charge and sentenced was suspended on the charge of the second degree murder charge.

Sheriff F. A. Schoenholz went to Oregon this morning on business.

Bridge Floor to Be Completed By Night

The floor of the Galena avenue bridge will be completed and the entire bridge thrown open to traffic this evening about 6 o'clock unless something unforeseen happens to mar the plans of the carpenters who were rushing their work to the utmost today to complete the job. The work threatened to be delayed for a time on account of the supply of floor planking running out, but Supervisor John Sterling, who has been on the job daily, sent an auto truck to Byron, where Contractor Shons has a contract to repair the Rock river bridge, and brought creosoted planking to Dixon, against the contractor's wishes. It is said. This was being placed this morning on the Dixon bridge and the carpenters worked with all possible speed to finish the job today. With the floor of the bridge completed the only work remaining will be the placing of the railing along the walks on both sides of the structure.

MORRISON H. S. GIRL FOUND DEAD IN BATH AT ROOMING HOUSE

Mildred Grater, Senior, Probably Overcome By Gas from Heater.

Miss Mildred Grater, of Malvern, Whiteside county, 18 years of age, a student of the Morrison high school, was found dead in a bath tub about 9 o'clock Thursday night by Mr. and Mrs. C. E. Mallory at their home in Morrison upon their return from a picture show. Miss Grater had made her home with the Mallorys while attending high school in that city. When the lifeless form of the girl was discovered the body was lying with the head at the end of the bath tub where the faucets are located, with the face downward submerged in water. Strands of her hair had caught in the water fixtures.

Whether the girl's death resulted from heart disease or whether she had become dizzy and fallen into the water and drowned or whether she was overcome by fumes from the instantaneous gas heater which is used to heat the water in the bath room, probably will never be known. It is believed, however, that Miss Grater had lighted the gas heater and that in some manner the blaze was extinguished, resulting in the room being filled with fumes, which may have caused her to become dazed to such an extent as to cause her to topple over in the water.

The last theory is strengthened by the fact that the door of the bath room was open when Mr. and Mrs. Mallory returned home. It is the opinion of the physician, who was summoned, that the girl, realizing that the bath room was filling with gas, got out of the tub, shut off the gas burner and opened the door and that when she stepped back into the tub that she was partially overcome by the gas fumes and fell over face downward into the water. There is a slight mark on her face, which gives evidence that the water faucet was hit when she fell.

Shortly after 8 o'clock Thursday night Miss Grater had called her mother over the telephone and in conversation with her said that she was arranging to take a bath and wash her hair.

Senior in High School
Miss Grater was a member of the Senior class of the Morrison high school and was quite popular among her classmates and was given high consideration by her teachers.

Besides the grief stricken parents, Miss Grater is survived by one brother, William, and four sisters.

McCreary, Owner of Capital Hotel, Dead

By Associated Press Leased Wire
Springfield, Ill., Nov. 20.—John D. McCreary, 58, proprietor of St. Nicholas Hotel, this city, died at 5 o'clock this morning of uremia. He had been seriously ill, but a few hours. Under his management for the last 17 years St. Nicholas hotel has been an important rendezvous here of legislators and politicians, especially Democrats. Mr. McCreary was formerly president of the Springfield Commercial Association.

National and State Bank Calls Issued

By Associated Press Leased Wire
Washington, Nov. 20.—The comptroller of the currency today issued a call for the condition of all national banks at the close of business Monday, Nov. 15.

FOR STATE BANKS.

By Associated Press Leased Wire
Springfield, Ill., Nov. 20.—The call for the condition of state banks at the close of business Monday, Nov. 15th, was issued by State Auditor Andrew Russell this morning.

FINEST MEMBERSHIP DRIVE IN HISTORY OF DIXON Y ENDS FRIDAY

Remarkable Success Attending Four-Day Campaign for Members.

The membership campaign of the Dixon Y. M. C. A. came to a close last evening with the serving of "hot dogs" and coffee. It was one of the most successful campaigns in the history of the Y and it was largely due to the efforts of the Chairman of the Membership Committee A. W. Leland, that the campaign was run off with such good success. In this he was efficiently aided by Head Coaches King and Martin and under them the most of the team captains, and last but not least the ladies. Michigan, although not the highest in points came out of the fray with the highest percentage, scoring 1,000. But in the line of points it was the ladies who ran high and proportionately secured the largest number of members. Schimer, captained by Ruth Dysart led with 703 points, with Wellesly under Bertha Bennett runner up, with 702. From this it will be seen that the ladies did nobly and the latest reports give them 195 members or some 40 odd more than they had last year. Nine rais for the ladies. After the whole business was over in order to walk off their surplus enthusiasm the ladies hiked out to the Country club and back.

From now on there will be something doing at the Y every day and the gym classes are expected to do even better than they have, which in several cases will be going some.

Team	Points Won	Lost	Per Cent
Michigan	487	4	0.100
Princeton	239	3	1.750
Chicago (tied)	263	2	1.667
Army (tied)	295	2	1.667
Illinois	75	2	2.500
Navy	441	2	2.500
Schimer	108	2	2.500
Northwestern	219	2	2.500
Wisconsin	238	2	2.500
Rockford	143	2	2.500
Vassar	347	2	2.500
Notre Dame	45	1	3.250
Cornell	167	1	3.250
Harvard	120	1	2.50
Yale	192	1	3.250

Grand totals—
West 2154.
East 2325.
Ladies 1800.
Men 2677.

The membership of the association is now well over the 500 mark.

\$2,000,000 Damage in New Orleans Fire

By Associated Press Leased Wire
New Orleans, La., Nov. 20.—Damage estimated at approximately \$2,000,000 was caused by a water front fire here today which fire authorities believe was started by sparks from a switching engine.

The fire started at the Desire street wharf and fanned by a strong, but changing wind swept in both directions, up and down street, leveling the new Cuyam Fruit and Steamship wharf and practically everything between the Desire and Independence street docks, a distance of approximately 2,000 feet. The fire was stopped within 100 yards of another fruit wharf.

Considerable damage was done to the steamship Poncelet, an oil burning vessel recently completed by the Foundation company for the French line but not formally turned over to its owners.

Harding and Party Enter Tropic Zone

By Associated Press Leased Wire
On Steamship Parismina, Nov. 20.—(By Wireless to the Associated Press.)—With all thoughts of his coming responsibilities thrown aside, President-elect Harding today amused himself with cards, shuffle board and other deck games as the Parismina continued without incident on her way to the canal zone. The perfect weather which has added to the pleasure of the voyage since the Parismina left New Orleans Thursday, continued today and most of the party donned the white apparel of the tropics when the steamer got into balmy southern breezes.

Alleged Slayer in Second Attempt to Take Life in Jail

By Associated Press Leased Wire
Broken Bow, Neb., Nov. 20.—Dennis Chester, alleged slayer of Florence Barton, Kansas City society girl, made a second unsuccessful attempt to end his life in the county jail last night, county authorities reported today. He dived from his bunk in his cell head first to the floor of the jail. His head struck the cement floor, rendering him unconscious. He did not regain consciousness until this morning.

\$40,000 BRIBE SPLIT CHARGED TO MR. BOLLING Shipping Board Quiz Brings Startling Allegation.

By Associated Press Leased Wire
New York, Nov. 20.—R. W. Bolling, brother-in-law of President Wilson and treasurer of the shipping board, was named in connection with a \$40,000 bribe alleged to have been paid by a Stratton Island ship building company to procure unusual favors from the board. In testimony before the congressional committee investigating shipping board affairs here today.

Tucker K. Sands, former vice president of the Commercial National Bank, Washington, testified that it was his "understanding" that \$1,800, he "loaned Bolling against his note," and of which Bolling already has been paid back \$500 was Bolling's share of the "\$40,000 bribe" of the Wallace for unusual shipping board favors.

Sands said that the \$40,000, he understood, was to be split four ways between himself, Bolling, Lester, Sister former shipping board secretary and a man named Kramer.

Sands admitted that he had, in an interview with Alfred McCann, reporter for the New York Globe, made allegations of the alleged bribe, which were incorporated in an affidavit, a photostatic copy of which was submitted to the board today, prepared for him, Sands's signature.

S. D. & E. STOPS STERLING 'BUS LINE OPERATING

Got Injunction Thursday in Whiteside Co. Court.

Sterling, Nov. 20.—Thursday afternoon in the Whiteside county circuit court, before Judge Frank D. Ramsay of Morrison, the Sterling, Dixon & Eastern Electric Company asked that J. R. O'Brien be enjoined from operating his bus line in competition with the street car company. Judge Ramsay granted the injunction, which will be in effect as soon as the bond in the sum of \$2,000 and the decree has been filed.

J. R. O'Brien came to this city several weeks ago and secured permission of the city council to render a transportation service to the people of this city. He brought two large automobile buses here and established two routes. It being a new thing to the public and the hour and route of the buses not being clear in the minds of some, the northwest and hospital route did not pay. This route was abandoned temporarily and Mr. O'Brien has been operating one running from the east end of Sterling to Rock Falls over the First avenue bridge mornings and evenings. The rest of the day he has been running from Third street in Sterling across First avenue bridge to Second street in Rock Falls, accommodating those Sterling and Rock Falls people who wished to ride across the bridge.

Bodies of Ill-Fated Plane Crew in Wreck of Ship; Expectation

By Associated Press Leased Wire
Muskegon, Mich., Nov. 20.—White Lake coast guards and officers of the Great Lakes naval training station were confident today that search of the wreckage of the HS 2 L would reveal the bodies of three members of the crew presumably lost when the plane was wrecked. A high sea prohibited extensive search last night.

The HS 2 L was caught in a storm on Lake Michigan while on a reconnaissance tour a week ago. Bits of wreckage were found along the shore near here following its disappearance. The fuselage and motor were located yesterday about 20 miles north of Muskegon.

Irish Investigating Body Has Adjourned

By Associated Press Leased Wire
Washington, Nov. 20.—After receiving more reports of conditions in Ireland resulting from the movement for independence from both American and Irish witnesses at the second day of its hearing here, the commission of the committee of 100 investigators the question late yesterday, adjourned over Thanksgiving. The hearing will be resumed probably the first week in December, subject to the call of Frederick C. Howe, commission chairman.

Witnesses at yesterday's meeting, including John Derham, town commissioner of Balbriggan, Ireland, traced the Social and economic developments in Ireland resulting from the effort for independence and declared a state of "terrorism" prevailed there under the rule of the British military forces.

E. C. Kennedy and Fred Krueger were in Polo on business Friday.

HIGHER RATES; NO TELEPHONE IS BATTLE CRY

Movement Started to Oust Phones By Protesters.

About 125 patrons of the Dixon Home Telephone Co., who feel that the temporarily increased telephone rates recently granted the company by the State Public Utilities Commission are unjust, met at the city hall last evening to protest the rates and to undertake crystallization of sentiment to the extent of having protesters order their telephones taken out.

As a result of the movement started at the meeting petitions are today being circulated among telephone patrons, signs of which pledge themselves to have their phones removed if the higher rates are charged, and promoters of the movement this noon stated they are obtaining many signers. It is said that in the neighborhood of 120 signed the petition at last evening's meeting.

May Become Permanent.
R. A. Rodesch presided at last evening's gathering and E. A. Tayman was clerk. The protests of many who attended were heard, the speakers maintaining that the telephone company's own figures, submitted to the state commission, showed that the recent increase in rates were unwarranted. It was also the sense of some of the protesters at last evening's meeting that a permanent organization of citizens be formed to carry on fights for the public's interests in cases which may arise against the other public utilities and a committee, composed of H. A. Brooks, Guy Merrillman and E. A. Tayman, was appointed to outline a plan for such permanent organization.

SPORTING BULLETINS

AMES WINS RACE.

By Associated Press Leased Wire
Urbana, Ill., Nov. 20.—Ames cross-country runners today won the annual conference cross-country run ahead of a field of entrants from fourteen universities. Ames, which won the run last year, had five entrants, and finished with a total of 32 points and finished in the fast time of 26:30 3-5. Illinois placed second, Ohio third, Purdue fourth and Wisconsin fifth.

HARVARD TAKES LEAD.

Harvard took a 3 to 0 lead over Yale in the first period of today's game at Yale Field when Buell scored a field goal from the 35 yard line.

(Note—A story of the game as it progressed to press time will be found on page 2.)

Amnesty Granted to German-trained Men of Old Greek Army

Athens, Nov. 19.—(By Associated Press.) All foreign ministers accredited to the Greek government, have called officially on George Rallis, the premier of the defacto Greek government.

It is rumored that chief command of the Greek army will be given to Prince Andreas, brother of former King Constantine.

General Amnesty has been granted to about 100 German trained Greek army officers who had been interned on the island of Crete on charges that they had delivered Macedonia over to the Bulgarians during the war. These officers are returning to resume their places in the army. It is declared by the cabinet's newspaper organ that grave irregularities have been discovered by the new minister of finance. The absconding of a prison director under the former regime, with government funds, also is announced.

Attempts are being made by the governments to put a stop to the sporadic use of fire arms in various parts of the city. Soldiers have been put on guard outside the residence of M. Politis, former minister of foreign affairs, after the windows of the house had been smashed by a crowd.

LICENSED TO WED.

A marriage license was issued late yesterday afternoon to William McGraw Loftus and Miss Mary Lucille Jones, both of this city.

LAFAYETTE VS. PURDUE
Lafayette, Ind., Nov. 20.—Lafayette and Purdue met here today in their annual conference football game. It was home-coming day at Purdue.

Mrs. L. J. Kelley and daughter, Ruby, spent Wednesday and Thursday in Chicago.

Today's Market Report

(By Associated Press Leased Wire.)

New Low Records Made on Exchange

By Associated Press Leased Wire

Chicago, Nov. 20.—New low figures on the crop were again recorded today for wheat and corn futures. There was a fairly strong opening in wheat after initial buying by export houses and it slumped from 3c for the market and 2 3/4c for Liverpool. Pool advices had that United States wheat supplies had reached such a volume that the British wheat commission was likely to reduce the fixed prices of wheat to millers.

Opening wheat prices which were from 1/2 to 1 1/2c lower, with Dec. 1 1/2c to 1 1/2c and March 1 1/2c to 1 1/2c, first stiffened at the higher levels and then fell to 1 1/2c for Dec. and 1 1/2c for March.

After Dec. wheat had touched 1 1/2c, there was a rally based upon reports of a covering and export movement continued to the end with the close at 1 1/2c to 1 1/2c for Dec. and 1 1/2c to 1 1/2c for March, the net declines for the day ranging from 3 to 4 1/2c.

Commission houses sold corn and there was renewed liquidation in that market. The opening was from 1/2c higher to 1/2c lower with Dec. 66 1/2c to 66 1/2c and May at 72 1/2c to 72 1/2c. The higher to 72 1/2c and July 72 1/2c to 72 1/2c.

Oats yielded to the corn influences and dropped from an opening of 45 1/2c to 45 1/2c for May down to 45c.

Provisions were also weak with fresh pork and lard at reductions in the cash market.

The wheat rally had small effect on corn and when it wore off the market eased off again. Dec. corn closed at 65 1/2c to 64 1/2c and May at 72 1/2c to 72 1/2c. The May option closing at 48 to 47 1/2c after a rally to 48 1/2c from its low of 47 1/2c.

Weekly Grain Review.

By Associated Press Leased Wire

Chicago, Nov. 20.—War prices on the grain market met their Waterloo this week. Uneasiness over the general business outlook proved more than an offset for bullish factors, and withstanding the many big cuts which the value of cereals had recently undergone. Compared with a week ago, wheat this morning was down 3 1/2c to 3c, corn was off 7 1/2c to 5 1/2c and oats 1 1/2c to 1 1/2c. In provisions the net changes varied from 10c decline to a rise of 1c.

At the beginning of the week, material upturns in wheat prices took place owing largely to signs of European buying and to the assumption that Bolshevik military successes had rendered improbable for a long time any important grain shipments from Russia. There was also much talk of an effort to arrange credits in this country to enlarge exports to Germany.

Confidence based on such ground, however, did not last, and aggressive selling set in accompanied by renewed attention to the disturbed financial and economic situation and to indications that a stock of wheat might be built up here by arrivals from Minneapolis and Canada. Then came increased offerings from the big new 1920 yield of corn, and the whole grain list tumbled in good earnest, despite evidence of a widespread holding policy on the part of farmers.

Weakness in corn and oats started with a sharp break in cash corn prices at Kansas City. Later liquidation became general.

Except for November delivery, provisions tended downward in sympathy with grain and hogs.

Chicago Livestock.

By Associated Press Leased Wire

Chicago, Nov. 20.—Hogs—Receipts 9,000; mostly 10c to 15c higher than yesterday's average with spot more; closing firm; bulk of sales 11.50@11.85; up 12.00; heavy weights 11.50@12.00; medium weights 11.55@12.00; light weights 11.50@11.75; light light lights 11.40@11.80; heavy packing smooth 11.00@11.40; packing smooth 10.75@11.00; pigs 11.00@12.25; with desirable 100 to 130 pound pigs 11.50@11.75.

Mexico Will Forbid Visit By Sen. Fall

By Associated Press Leased Wire

Washington, Nov. 20.—Mexican consular agents on the border, it was said today at the Mexican embassy, have been directed to refuse to issue the passport of Senator Fall, of New Mexico, for the senator's proposed visit to Mexico to attend the inauguration of President-elect Obregon on Dec. 1.

Information at the embassy was that Mr. Pasqueria's action was precipitated upon what was regarded by him as the intervention attitude of Senator Fall, who is chairman of the Senate sub-committee which for upwards of a year has been investigating conditions in Mexico.

It was denied at the consulate that Pasqueria had advised the consuls not to issue the passport of Governor Hobbs of Texas and Colonel F. A. Chonfa of San Antonio who also plan to attend the inauguration of General Obregon.

\$5,000,000 Worth of Bonds Destroyed

By Associated Press Leased Wire

Omaha, Neb., Nov. 20.—Bonds and securities burned by the bandits who robbed Burlington train No. 8 in Council Bluffs last Saturday night totaled more than \$5,000,000 according to an announcement here today by Postal Inspector Glenn.

At the same time, he announced that the solvency of two National insurance companies, which insured the bonds probably would be seriously impaired as a result of the robbery and its resultant loss.

This is the first intimation since the robbery of the amount involved. This figure places the robbery as the greatest ever staged in the history of the American postoffice department.

Confiscation of Breweries Coming?

By Associated Press Leased Wire

Washington, Nov. 20.—All breweries manufacturing beer more than one half of one per cent alcohol will be seized by the federal government, it was indicated today at the bureau of internal revenue.

Officials of the bureau said an analysis of the beer brewed in a number of places was now being made and that where the product was found to exceed the legal limit in alcoholic content the government would act to enforce the law.

TO CHICAGO—

Miss Wilma Schurmeyer, who has been head of the trimming department at Mrs. Woolver's millinery establishment, left today for Chicago. She will re-enter the Edison Keith wholesale house where she is designer and maker in the French room. While in Dixon Miss Schurmeyer made many warm friends. In the spring Miss Schurmeyer will probably accept a trimming position in the south.

SECTION NO. 2 THURSDAY—

Section No. 2 of the M. E. Ladies' Aid met Thursday afternoon at the home of Mrs. W. J. Worsley. A scramble dinner was enjoyed after which a comfort was tied. During the afternoon a business session was held, all of the present officers being re-elected to serve another year.

MRS. ROBERTS RETURNS—

Mrs. E. Roberts, who has been head of the trimming department for the Mrs. Hess Millinery, leaves tomorrow for Chicago. She will be designer for Phelan Wholesale Millinery Co., for a time. Mrs. Roberts who has been here several seasons, has made many friends.

VISITED IN STERLING—

Misses Flossie Lambert and Cecile Wadsworth visited in Sterling the last few days. Miss Lambert returning to Dixon today, but Miss Wadsworth remaining for a longer visit.

RENEW YOUR SUBSCRIPTION—

Renew your subscription to The Evening Telegraph before expiration date, that you may not miss any copies. We discontinue the paper the day your subscription expires.

TO GIVE LUNCHEON TUESDAY—

Mrs. A. C. Warner will give a luncheon and bridge next Tuesday. The luncheon will be served at Miss Breed's, to be followed by bridge at the home of Mrs. Warner.

VISITING IN CALIFORNIA—

Miss Louise Mounitz, R. N., of Seattle, Wash., formerly of Dixon, is visiting Mrs. Mary A. Noble in Hollywood, Cal.

D. D. D. CLUB—

The members of the D. D. D. club formed a party at the Family theatre last evening, and afterward enjoyed a luncheon at Sterling's.

TO LAND OF SUNSHINE—

Mrs. Henrietta Ebinger and Miss Anna Goldenheimer expect to leave for California soon to spend the greater portion of the winter.

GIVES LUNCHEON—

Also Fanny Murphy was hostess at a luncheon luncheon Friday. Her guests numbered thirty. Miss Rosanna Dement delighted all with some beautiful ballads.

FROLICKERS DANCE—

The Frolickers will dance Thanksgiving night.

DINNER AT GILBERT HOME—

Mr. and Mrs. Will Gilbert entertained with a dinner last evening.

P. N. G. CLUB SPECIAL—

A special meeting of the P. N. G. club will be held at L. O. O. F. hall Monday evening.

BOUGHT D. & R. G. RY.

By Associated Press Leased Wire Denver, Colo., Nov. 20.—Representatives of the Western Pacific Railroad bought the properties of the Denver & Rio Grande railroad at foreclosure sale here today.

The sale price was \$5,000,000 cash. The purchasers also agreed to assume \$141,175,000 obligations of the Rio Grande.

HARVARD TAKES LEAD WITH A FIELD GOAL

Scores in First Period of Great Game in East Today.

By Associated Press Leased Wire

Yale Field, Nov. 20.—Yale's Blue eleven, lead by Captain Callahan, made their formal appearance ten minutes before game time. It happened that the Harvard band at the time was playing Yale's Boole Boole and Yale partisans cheered alike their team and the Crimson courtesy. Then ensued an exchange of cheers and greetings in which Yale cheered Harvard's leader, Horween and the Harvard stands gave three times three for Callahan.

The Harvard eleven rushed out of the east entry and started another outburst from the Crimson cheering corps.

Harvard won the toss and by choosing to defend the north goal, gained the wind advantage. Cross kicked off and Owen ran back to mid-field. Buell drove off tackle for 13 yards and a pass made it first down on Yale's 25-yard line. Aldrich intercepted a pass but a Yale fumble forced a punt which was returned. Aldrich's kick was fumbled and Yale recovered on Harvard's 40-yard line but Fitts intercepted a Yale pass. Walker fumbled Fitts' kick on Yale's 35-yard line and two Harvard men fell on the ball.

A forward pass, Buell to Owen, put the play on Yale's 24-yard line. Buell subsequently scored a field goal from the 35-yard line. Score: Harvard, 3; Yale, 0.

Buell ran the second kick-off back to Harvard's 31-yard line. Cutler dropped Buell on Harvard's 15-yard line on a punt. Owen slipped pass. Acosta for 13 yards but Aldrich again intercepted a pass giving Yale the ball on Harvard's 33-yard line. Aldrich's try for a field goal was hurried but rolled for a touch back. Harvard advanced to its own 38-yard line on a forward pass as the period ended. Score: Harvard, 3; Yale, 0.

Second Period. Starting the second period Humphrey and Horween made a first down then Owen kicked and the ball was allowed to roll dead on Yale's nine yard mark. Aldrich punted to a fair catch by Buell on Yale's 45-yard line. Harvard placed the ball 15 yards from the Blue goal, a penalty set the Crimson back and Kempton caught the next pass, being run out of bounds at the Yale 33-yard line.

Walker took time out and both teams conferred. On the first play Kempton made it first down with a 12-yard run.

Local Briefs

Miss Lella Hinds, who has been quite ill with tonsillitis, is able to sit up.

Wilfred Routier, of Toledo, O., who has been in Chicago for a few weeks, is spending a few days with his brother, Joe Routier, 518 East Third street.

Lawyers, bring your brief and abstract work to the job department of The Dixon Evening Telegraph office. Mr. and Mrs. G. S. Gimstead, of Sterling, spent Thursday in Dixon.

Miss Marcia McWeathy assisted at the O. H. Brown dry goods store today.

NEWS FROM DIXON

HI Y CLUB TO MEET.

The Hi Y club will have their weekly feast at 6 o'clock Monday night. Members of the Boys' committee are urged to be present and see what the fellows are doing. Dr. Thrall will give us another of his inspiring messages such as he brought to us last week.

We hope to have twenty fellows to go to the Boys' State Conference at Springfield, Nov. 26-28. These fellows are sent from the churches and the inspiration they receive is of incalculable benefit, both to the boys and to the community they represent, so each church is urged to send at least two or more boys. The expenses will be about \$12 each.

MIDGETS BEAT AMBOY.

The Midgets took the Amboy basket ball team over last evening at the "Y" to the tune of 14 to 6. From start to finish the game was fast, snappy and full of light and not till the final whistle blew was the result certain. As this was the first game of the season the team work of both the teams was somewhat ragged and the ball was fumbled a little more than it would had the teams had more practice. The line-up:

Dixon Midgets: Amboy: Sheppard, RF; Rosecrans, LF; Kuhn; Bremer; Kerz; Scott-Rosier; Ryneason, RG; Jewett; Glessner, LG; Kuhn; Miller, Kelly; Baskets—Shepard, 4; Rosecrans, 2; Glessner, Jewett, Ewing. Free throws—Roster, Ewing. Penalties—Dixon, 4; Amboy, 2. Referee—Vaughn. Timekeeper and Scorer—Kuhn.

Brief Summary of Last Night's News

By Associated Press Leased Wire

NEW YORK—Sales in the stock market amounted to 1,500,000 shares, the largest turn-over with one or two exceptions, so far this year.

ANNOUNCEMENT PARTY—

On Thursday evening at the home of Mrs. Charles Duls, fourteen friends were entertained at a children's party. Mrs. Frank Foreman, Mrs. Bert Buehler and Miss Anna Devine were assistant hostesses with Mrs. Duls.

The masquerade and disguise of some of the guests was very good. Among the imitations especially good were those of Miss Dorothy Gonnerman as Roly Poly; Margaret McCoy as Dotty Dimple, and Jean Southwell as Baby Doll.

Musio and games supplied the amusement for the evening. In the dining room where a tempting three-course luncheon was served the decorations were in pink and white. The large dome over the table was shaded in pink streamers led from it to corners of the table. The centerpiece was formed of a miniature bride and groom. These tiny people stood on a bed of fern leaves intermingled with pink and white peas. Small pink baskets contained the candy hearts and the favors were pink opera sticks. While enjoying the luncheon the greatest surprise of the evening developed. From the dome over the table and leading to each guest's place was a streamer, at the end of which were two pink hearts, bearing the names of Miss Fuestman and Frank Gleim, thus announcing the engagement of these two young people, the marriage to take place this winter. The streamer which led to Miss Fuestman's place was also connected to a handsome boudoir lamp, which she had been admiring during the evening as a possession of the hostess. It was rather a joke on Miss Fuestman when the beautiful gift was turned over to her as a memento of the friendship of those present.

A large basket containing the necessary kitchen utensils with which to keep house, was presented Miss Fuestman, also. She was much surprised at the gifts bestowed, as of course, this part of the program was a secret kept securely from her until the moment of presentation. She graciously voiced her appreciation and received the best wishes of all for happiness in her future. She is one of Dixon's highly esteemed young women, and has for a number of years been a lady on the first floor at the Bee Hive. Mr. Gleim is a prosperous resident of Ashton.

JONES-LOFTUS—

This morning at 7 o'clock at St. Patrick's Catholic church the wedding of Mary Lucile Jones, daughter of Mrs. Celia Jones, of 393 East Second street, and William McGraw Loftus, son of Mr. and Mrs. John Loftus, 115 Crawford avenue, took place.

As Miss Marion Kahler sang, "Because," accompanied by Miss Marie Hayes, of Koppel, the bride and groom assumed their positions at the altar. The bride was attended by Miss Imogene Loftus, sister of the groom, and the groomsmen were Gerald Jones, brother of the bride. The impressive ceremony was performed by Rev. Father Michael Foley.

The lovely bride wore a suit of grey suede cloth trimmed in moleskin, her hat and accessories encostume. Her corsage bouquet was of violets and roses.

Miss Loftus was charming in a suit of brown broadcloth, trimmed in seal, with hat and gloves in the same shades. She wore a corsage of pink sweet peas and roses.

Mr. and Mrs. Loftus left immediately after the ceremony on their wedding trip which will include Chicago, Evanston and Detroit. After Dec. 15, they will be at home at 111 Crawford avenue where the groom has furnished a new home. These young people are loved and respected by a large circle of friends who wish them every happiness.

The out-of-town guests included Edward A. Jones, brother of the bride, of Washington, D. C.; Mr. and Mrs. Thomas Lyon, of Amboy, aunt and uncle of the groom; Mrs. Margaret Steele, of Springfield; Misses Marie Hayes and Marion Kahler, of Rochelle.

W. C. T. U. MEETING—

The Woman's Christian Temperance Union met in regular session on Friday afternoon with the President, Mrs. O. E. Stock.

There were twenty-one ladies in attendance. Two members were added to the society. Miss Vivian Graves led in the singing of the opening number, "All Around the World the Ribbon White is Twined." Mrs. Thompson read the Scripture and Mrs. Wm. Thompson offered prayer, after which Miss Graves, to the pleasure of all sang most beautifully, "Walking With God."

Considerable business was transacted, and several communications read, one from Elizabeth McFarland, superintendent of the Woman's Christian Temperance Home for Children in North Rockford, in which she thanked our society for the comforters sent them, three large ones and one small one. Much credit is due our Flower Mission Superintendent, Mrs. Heck-

man, for this work. Picture books and cards are solicited which will be sent before Christmas. Mrs. Thompson gave a very interesting talk on Rest Cottage, the beautiful home of the best loved woman in America, Frances Willard, whose memory will ever live. Miss Morgan gave a short drill in Physics which was very interesting. It was suggested that at our December meeting we bring a special Christmas offering. A social time followed at the close of the meeting — Press Correspondent.

FOR MR. AND MRS. KESTED—

Mr. and Mrs. Bert Kested and family of Palmyra, are moving from Palmyra, their home for many years, to the home they have purchased in town — 710 North Galena avenue.

Last evening a company of friends and neighbors demonstrated their friendship and goodwill to the Kested family by entertaining for them in the basement of the Sugar Grove church. More than a hundred people were present, nearly every family in the community being represented in the gathering.

A social evening was spent and games enjoyed by those of the younger generation. As a token of esteem Mr. and Mrs. Kested were presented with a handsome set of silver knives and forks from the friends assembled. Bert Pearl was chosen spokesman and presented the gift in a facetious little talk, voicing the hearty wishes of all for the future happiness and success of the Kested family. Mr. and Mrs. Kested graciously voiced their appreciation of the courtesy and also their regret at leaving lifelong neighbors. The ladies of the neighborhood served most delicious refreshments. The evening, while so happy, was somewhat shadowed with sorrow at the approaching departure of the Kested family.

BAPTIST MUSICAL PROGRAM—

At the Baptist church Sunday evening the choir will render a specially prepared sacred concert. The program will be as follows:

"Harvest Thanksgiving March," from the Cantata of Ruth Cowen-West. A. H. Stoddard.

"O Give Thanks," Faulkes. Mr. Stoddard.

"Hark! Hark! My Soul!" Shelley. Mrs. Ballou, Misses McWethy and Miller, and Messrs. Fahrney and Rice, with solo obligato by Mrs. Ballou.

"A Song of Thanksgiving," Allister. Mr. Elmer Rice.

Violin Solo, "Invocation," Scott. Miss Alice Coppins.

"O Lord How Manifold," Barnby. Mrs. Ballou and Miss McWethy.

Messrs. Fahrney and Rice.

"Festival March," offertory. J. Baptiste Calkin.

Organ Postlude, "Praise Ye the Father," Gounod. Mr. Stoddard.

The pastor will speak on "Rocks on Which the American Ship Might Founder."

MISS MEADE SURPRISED—

Miss Frances Mead, daughter of Mr. and Mrs. George Meade, was very happily surprised last Sunday afternoon at the home of her parents in Maytown. During her pre-arranged absence some fifty neighbors and friends gathered, and when she returned gave her a miscellaneous shower in honor of her approaching wedding to George Quest. The table was filled with handsome gifts, cut glass, silverware, linens, aluminum and a hundred piece set of beautiful dishes. The afternoon was spent pleasantly and the presents were unwrapped by Miss Meade in the presence of the entire company. Light refreshments were served, after which the guests departed for their homes.

BROWN-OWNBEY—

Miss Marie Ownbey, formerly of Amboy, was married Wednesday, Oct. 21, at Annapolis, Md., to Avery Brown of southern Illinois. The bride is an estimable young lady. She has a position with the War Department at Washington, D. C. Mr. Brown is a young man of excellent character and during the recent war served as a Corporal in the Tank Corps. He is employed in the Postoffice Department at Washington, where they will make their home. Friends extend heartiest congratulations.

WEEK-END CLUB—

The Week-End club is a new club of twelve ladies, recently formed. It meets on Thursday afternoon of each week unless otherwise specified and the members sew and play cards or employ the time in music, just as the fancy strikes them. Thursday afternoon the club met with Mrs. Roy Abbott and had a delightful time. Cards were enjoyed. Mrs. W. W. Moore favored with several enjoyable vocal solos. Very nice refreshments were served. The next meeting will be held one week from Thanksgiving day with Mrs. Ralph Clifford.

DELYSIA BRINGS "THE MOST BEAUTIFUL BACK IN THE WORLD" TO AMERICA

New York.—Here we meet, face to face, so to speak, the most beautiful back in the world. Perhaps you have followed the trackless trails of India, been the friend of queens and ventured in the Boreal wilds. Perhaps—oh,

GAVE FIVE HUNDRED PARTY—

Miss Irma Slaughter last evening entertained with a Five Hundred party the following young people: Misses Charlotte Campbell, Margaret McTague, Grace Jegg, Leah Lawson, Irma Brown, Goldie Brierton, Marion Ahrens, Messrs. Jack Byers, Claude Horton, Vincent Burlingame, Joe Villiger, Sterling Schrock, Harold Eany, George Slaughter. After the evening with cards was enjoyed a tempting luncheon was served.

PRAIRIEVILLE SOCIAL CIRCLE—

The members of the Prairieville Social Circle met in an all-day meeting Wednesday at the home of Mrs. Horace Gilbert. There were eighteen members present and one guest, Mrs. Tobias Switzer. A scramble dinner at noon was a feature of the day. The ladies were busily engaged in the sewing of quilt blocks. The next meeting will be held at the home of Mrs. Fred Gilbert Wednesday, Dec. 1.

GOLDEN RULE CLASS—

The Golden Rule Circle Class of the United Evangelical church will hold its regular business meeting and social at the home of Mrs. Walter Fuhs, 310 Lincoln Way, Monday evening. Important business will be transacted and every member is therefore urged to be present.

PARTY AT BRYAN HOME—

Orville Bryan entertained a company of young folks with a waffle supper at his mother's home Thursday evening. "Mrs. Bryan certainly knows how to cook waffles," is the verdict of her enthusiastic young guests.

GUESTS AT KASTNER HOME—

Mr. and Mrs. Otto Kastner entertained at their home Thursday evening. Miss Josephine Boyd and Walter Fallstrom. Games and music occupied the evening, and Mrs. Kastner served a delicious luncheon, the decorations being chrysanthemums.

TO VISIT NEW ZEALAND—

Mrs. Leonard Andrus, of Portland, Ore., who resided here for a number of years, and her niece, Miss Lucia Morris, also well known here, will sail from San Francisco, Dec. 5th. They will visit New Zealand, Australia, and the Island of Tahiti.

BEAUTY SPECIALIST.

Eyebrow Arching.

A perfect arched eyebrow is one of the most important features of the face.

Eyebrow characteristics will give your Eyes an inconceivable beauty. For appointments phone Y-850.

tend the wedding of Mrs. Batchelder's niece.

MOTORED TO STERLING—

Miss Nonie Rosbrook and her guest, Miss Hattie McIntyre, of Mendota, were guests of Mrs. Al Doolittle in a motor ride to Sterling Friday.

TO VISIT MRS. DILLE—

Mrs. Anna Crabtree, of Depot avenue expects soon to go to Chicago to visit her daughter, Mrs. John Dille.

WEEK-END IN STERLING—

Miss Edith Cramp is spending the week-end in Sterling with her friend, Miss Mary Irene Dell.

DINED IN DIXON—

Mr. and Mrs. Earle Bishop, of Sterling, were dinner guests at the Nachusa Tavern Thursday evening.

GUEST OF MISS ROSBROOK—

Miss Hattie McIntyre, of Mendota, is the guest of Miss Nonie Rosbrook.

Basket social Tuesday evening Nov. 23, at Kimball school, 2 1/2 miles west and 2 miles north of Harmon. Ladies bring baskets. Josephine Morrissey, teacher.

(Copyright, 1920, N. E. A.)

The woman who has to use "hard" water finds her teakettle filled with a deposit of lime that is hard to remove.

This precipitate is freed by boiling and each time water is boiled in the kettle more is formed. It settles and hardens on the bottom and sides of the kettle and adds to the weight.

If a couple or three common marbles are dropped in the teakettle this lime will collect on them instead of on the kettle itself and the inside can be kept clean.

Menu for Tomorrow.

BREAKFAST—Halves of grapefruit, griddle cakes, sirup, creamed potatoes, coffee.

LUNCHEON—Squash soup, croutons, head lettuce salad, brown bread sandwiches, tea.

DINNER—Calves liver in tomato sauce, baked potatoes, cabbage salad, apple pie, cheese, coffee.

My Own Recipes.

Baked potatoes are more easily digested than boiled ones, because a baked potato is subjected to greater heat than a boiled potato. The high degree of heat aids in changing the starch in the potato to sugar. All starchy foods must be changed to sugar before the body can assimilate them.

SQUASH SOUP.

3/4 cup cooked squash.
3 cups milk.
1 tablespoon minced onion.
1/4 cup diced celery.
2 tablespoons butter.
2 tablespoons flour.
1 teaspoon salt.

STABILITY

The strength of a bank does not lie exclusively in its capital or its resources as shown by the balance sheet.

No bank is stronger than the men behind it—the men who direct its policies and conduct the business.

Officered by bankers of experience and directed by representative business men, this bank has always had and always merited the public confidence.

The City National Bank

W. C. DURKES, President.

JOHN L. DAVIES, Cashier.

W. B. BRINTON, Vice President.

WM. L. FRYE, Asst. Cashier.

THE OLDEST BANK IN LEE COUNTY

Was Established in 1855

1/4 teaspoon pepper.
Rub squash through sieve before measuring. Heat milk, squash, onion and celery in double boiler. Let cook 30 minutes. Melt butter, stir in flour, and add milk which has been strained. Cook, stirring constantly, till creamy. Add salt and pepper and serve.

CALVES' LIVER IN TOMATO SAUCE.

1 pound liver.
2 cups canned tomatoes.
1 large green pepper.
2 onions.
2 tablespoons butter.
2 tablespoons bacon fat.
2 tablespoons flour.
Salt and pepper.

Cut liver in inch cubes and scald. Drain. Roll in flour and fry in the butter and bacon fat. When about half cooked, add the pepper and onions shredded. Cook until soft. Add flour, stirring constantly. Add tomatoes and cook, stirring till thick and smooth. Serve on triangles of toast. The salt and pepper should be added to the meat while it is cooking.

The wise woman confines her stirring up proclivities to cakes and spares her husband. MARY.

HOOSIER

SAVES MILES OF STEPS

Three Reasons for HOOSIER'S Popularity

These extra capacity drawers are THREE additional reasons for HOOSIER'S popularity. Each has at least 30 per cent more space than the average drawer. Each is carefully built to slide easy, without sticking or binding.

Lower drawer is the bread and cake box. Made of heavy triple-plated metal, with sag-proof support. Sliding cake tray permits cakes to cool uniformly.

Middle drawer is also of same metal—has perforated sliding cover—is ideal for pies, doughnuts and cookies.

Top drawer is for dish cloths, towels, etc. The three drawers form a veritable warehouse for a good portion of essentials of the daily cabinet requirements.

Have your Hoosier delivered at once. A small payment puts it in your home immediately.

section boss who can swear in seven
languages?

Such is Life

BY A HUSBAND.
Has suffrage wiped out the last
faint markings of the line defining
husbands' rights?
Should a husband (merely because
he is such) be called upon to decide
such a momentous question as the
kind and quality of material which
should be used to build a set of
bloomers?

Once I prided myself on the fact
that I knew absolutely nothing of
women's apparel. I glided in my
uniformed state. The last 11 months
have taught me much. During the
last four years I have heard of men
in Paris who wear hats the interior
of which is decorated rather wonder-
fully with hand-painted linings, etc.
I have even heard it said that Paris
claims many of the most wonderful
"creations" which American women
wear are designed by males who
served the famous 75s at Mons.
But that is in France!

Last night after spending some
two hours bending over the wash
tubs purging the family's linens of
foreign matter I sought the fireplace
and pipe.
The wife was darning hosiery
(hers).
Her voice broke the silence.
"Dear," she said sweetly, and hesi-
tated.

I saw that she looked worried. A
feeling of guilt came over me. Per-
haps I forgot to tighten the caps of
the fruit jars which we had filled
with peaches the night before.
But the trouble was even more serious
than that.

"I have been wondering, dear, what
I should do about bloomers."
I realize now that I should have
asked from my chair and played dead.
But I have gone through with a well-
executed line of training during the
last 11 months.

Without missing a puff on the old
hod I took up the discussion of
bloomers with as much interest as if
the subject involved stock or the
Chicago baseball muddle.

All of which indicates clearly that
men have changed as have the times.
Grandfather knew not when he was
well off. All he had to worry about
was to fill some 800 acres of hilly land
and persuade the Indians that bald-
ness was distasteful.

He did not have to live a life center-
ing in a six-room house and begin
his day by advising the wife as to
the most appropriate thing to wear
that day.

P. S.—I suggested jersey, not too
heavy and tight woven material for
the bloomers.

JUST JOKING

A LONG STORY.
Hub (who wants his dinner)—
Nearly 8 o'clock. And you said you
were just going to step in next door
to see how Mrs. Gableton was.
Wife—Well, she insisted on telling
me.—Boston Transcript.

A DISTINCTION.
"Don't you ever get tired of play-
ing golf?"
"No, I never weary of playing, but
I'll admit frankly that the sort of golf
I play very often makes me good and
tired."—Detroit Free Press.

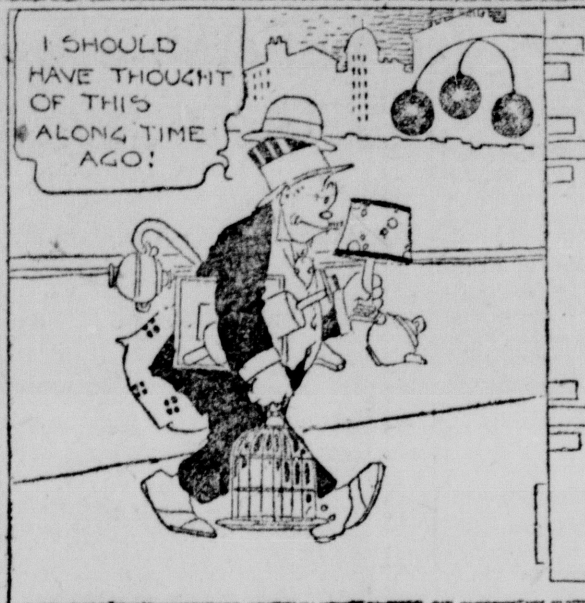

NOT QUITE LOST.
The little chap howled sorrowfully
until quite a crowd had collected.
"What is the matter, little fellow?"
one asked kindly.
"I'm lost," was the reply. "Won't
all of you take me home to Moses
Einstein's, the well-known cut rate
merchant on Broad street, who has
just received a new lot of finest over-
coats, suits and gents' furnishings,
which he is selling actually at less
than cost?"—Pittsburgh Dispatch.

U. S. Public Health Service Wash-
ington, D. C.
PARALYSIS.
Q—I had a stroke several months
ago. My left arm is paralyzed from
the shoulder down. What is the cause
of the stroke? Am I liable to get an-
other? Can the arms and hands be
restored to function? How can an
other stroke be avoided?

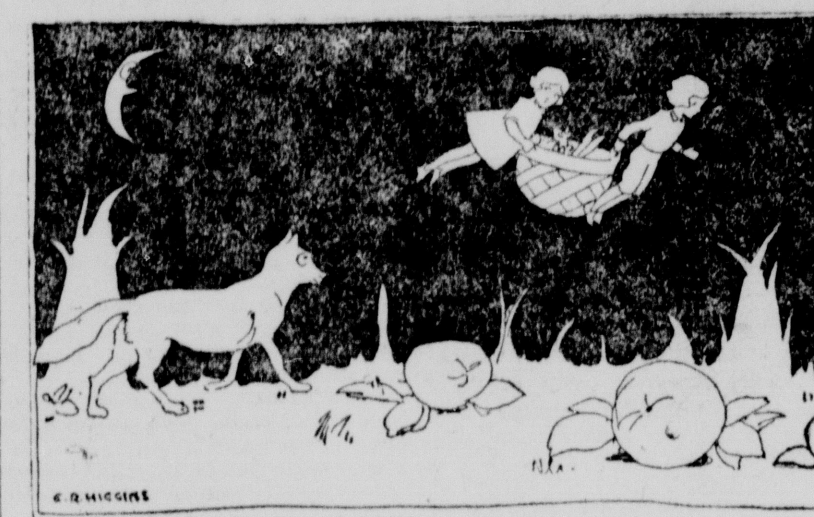

A—I am sorry to learn that you
have had a "stroke." This term is
applied to a number of different con-
ditions, all of them however, connect-
ed with the blood vessels of the brain.
In cerebral hemorrhage there is an
actual break in a blood vessel in the
brain, and with this there is more or
less destruction of the brain tissue, as
a result of the extravasation of the
blood.
In cerebral embolism there is a sud-
den plugging of an artery in the brain
with a bit of blood clot, or other ma-
terial carried in the circulation. As
a result of this plugging, the blood
supply of a particular section of the
brain is cut off, and this leads to more
or less destruction of brain function.

BRINGING UP FATHER.

ADVENTURES OF THE TWINS

THE TWINS TO THE RESCUE
When Fleet Fox jumped out of the
scarecrow clothes, that he had been
masquerading in at his own party,
and jumped right into the midst of
his guests, there was a frightened
scurrying and scaddling in every
direction.
Flop Fieldmouse dropped his ban-
ner on which were the words "I'm
Mr. Elephant!" for he wasn't sure
that Fleet would be fooled by the in-
formation one bit. Anyway he wasn't
going to take a chance and he streak-

In just a couple of winks, that cornfield was empty of every single thing but corn shocks, pumpkins, moonbeams, and Fleet Fox.

ed under the corn shock nearest him.
Petey Porcupine and Harry Hedgehog
who were pretending to be a pun-
cushion and chestnut, burst respect-
fully. I mean respectfully, sat still.
They knew that they were safe, for
Fleet had learned his lesson once be-
fore and now felt his nose tenderly
every time he looked in their direc-
tion.

Cutie Cottontail, who really should
have made himself scarce, didn't
budge a bit either. Under his little
plumleaf mask, he imagined he
was howling with disappointed hun-
ger.

In cerebral thrombosis there is a
gradual formation of a blood clot in a
cerebral blood vessel, the condition
usually being brought about by a
sclerosis of the cerebral arteries.
Under the circumstances, you can
readily see how impossible it is to give
you specific advice to your other ques-
tions. In general, the patient should
avoid all excitement or overexertion.
Anything which increases cerebral
blood pressure, straining at stool,
heavy lifting, etc., should be avoided.
The diet should be light, easily digest-
ed and attention should be paid to regu-
lar movements of the bowels. For
more specific information, you must
consult your family physician.

HEADACHES.
Q—I have a very bad headache
once a week just above the right eye.
It usually lasts about 24 hours, and
makes me sick and weak all over. I
have tried different things like aspirin,
and nothing seems to do any good.
My doctor told me bad teeth must be
the cause, so I had all decayed teeth
removed last spring, but I still have
these bad spells. It is not caused from
constipation, and I don't think it is
from my eyes, as I've never had any
trouble with them.
A—It is sometimes an extremely
difficult matter to determine the cause
of localized headaches mentioned in
your letter. Some cases of this kind
are termed "migraine," but that, after
all, is merely a label, and tells nothing
about the cause of the trouble. In
other instances, some inflammation
with pus-forming germs appear to be
responsible. Such pus germs may
come from abscesses of roots of de-
cayed teeth. Not infrequently the pus
is located in one of the hollow bones
about the face. That is, in the so-called
sinuses which communicate with the
nose. I have seen cases such as
you describe in which the pus was lo-
cated in the hollow bone beneath the
eye.

Confessions of a Bride

(Copyright 1920, by The Newspaper Enterprise Association)

THE BOOK OF ANN.

I DECIDE TO SHOW AN INDIF-
ERENCE TO BOB'S ACTIONS.
My nerves got the better of me long
before Bob came home. I had snap-
ped out the lights and had gone to
bed, and had indulged in a horrid fit
of weeping, and had recovered from
it, before I heard my husband's step
on the walk below my window.
'And I decided that it was Bob's
turn "to make up." He was at fault.
I would never, never forgive him, un-
less he came to me and explained.
But Bob took his own time about
coming to me. I thought he must be
reading the morning papers—at least
I heard the cocks crow—before he
came upstairs. I could tell, from the
delay, that my husband was punish-
ing me, that he was perversely indif-
ferent because he believed I had run
away from the dance in a hysterical
mood.

And as I thought it all over, I said
to myself that things were going very
badly with Bob and me.

Did married life make all husbands
as indifferent as Bob was getting?

Did marriage turn all well-inten-
tioned brides into jealous wives?

Was ours the common fate? Or were
we not rightly mated? Or were Bob
and I just ordinarily stupid in ad-
justing ourselves to the difficulties of
the relationship?

Certainly I didn't wish to keep pull-
ing away from my husband, but his
own indifference to our quarrels was
proof to me that he didn't care as he
used to care.

At last I heard Bob coming up the
stairs. He passed my door without
even hesitating! He had treated me
just that way in all of our recent

estrangements.
And on several occasions I had wept
over him—after he had gone quickly
and calmly to sleep!

But this time my temper boiled up.
I sprang out of bed, threw on a kim-
ono, and swept into the hall as ma-
jestically as my attire and my haste
would permit. And I said in my coldest
tone:

"Bob! Come here!"
I had never used just that tone to
my husband or to any one else for that
matter. It startled Bob. He turned
from his own door abruptly and re-
garded me with a puzzled stare.

"Are you sick, Jane?" he inquired,
in a distressed tone.
"Perhaps," I said. "It all depends!"
With that, I returned to my room,
stretched myself comfortably on the
chaise longue and drew a clinging silk
cover over my feet. Then my eyes
fell on the little cigarette set I had
bought with Ann's connivances.

I took out one of the silly things
and proceeded to smoke with all the
airs and graces Ann had learned
from the movie stars.

"What under the heavens is the
matter with you, Jane?" demanded my
astonished husband.

My only reply was to pick up the
cigarette case and extend it toward my
husband.

"Have one!"
From his look I think Bob could
have snatched the elegant trifle and
tossed it out of the window. He
didn't understand me in the least. I
ought to be having hysterics and I
wasn't!

He took his cue, at once.
"How did you get home, Jane? I

We Want Salesmen
If you have ability as a salesman—here is your opportunity.
Our line is not new. It has been on the market for years but has
never been introduced in your territory.
Many of our representatives make several hundred dollars a
month. Our unique sales plan and our special assistance, together
with our quality goods, make it easy for you to start selling.
We are a widely known concern located in South Bend, Ind.
We have a special plan for placing our line in your territory and
want a man to represent us NOW.
Some man in your territory is going to accept our proposition
and get started in a splendid paying and mighty fine business.
Are You the Man
If you are, we have a real, clean cut, honest proposition we
should like to present to you.
Are you interested in a bigger job, in making more money by
introducing a widely known line of proven merit right in your own
vicinity where you are well acquainted? Your territory is open.
Without in any way obligating yourself, send at once for full
particulars about the unusually profitable opportunity we now have
for you. No Capital or previous Experience Required.
BOX 737
South Bend, Indiana

So sure are we that the Sellers Kitchen Cabinet
is the last word in convenience and time-saving ad-
vantages, that we invite you to compare it with any
other make.
SELLERS
Kitchen Cabinets
"The Best Servant in your House"
are without a doubt the final achievement in organizing the duties of the
kitchen. We ask you to compare it, feature for feature, with any other
cabinet. Such a comparison will show you, clearly, why the Nationally-
advertised Sellers Kitchen Cabinet is the deliberate preference of think-
ing women all over the United States.
Notice the Automatic Lowering Flour Bin. This feature alone is
the greatest improvement ever developed for the kitchen cabinet. In ad-
dition to this there are 14 other star features found in no other cabinet.
These improvements cost the makers an extra \$100,000 to maintain.
This cabinet puts 300 to 400 articles within your arm's reach and
enables you to do 75% of your kitchen work at the large, white porce-
lain table. You will marvel at its convenient arrangement.
Why work the old-fashioned way in an age when everything else is
done by modern, labor-saving methods? Why should your time be mon-
opolized, your health and energy sapped in the kitchen, when such a
time- and labor-saver is now so easily available?
Decide now to enjoy a good kitchen cabinet. Come to our store to-
day and see the wonderful Sellers.

OHIO IS IN BETTER CONDITION FOR FRAY AT CHAMPAIGN TODAY

Climax of Football Season
Arrived with Today's
Games.

By Associated Press Leased Wire
Urbana, Ill., Nov. 20.—Football teams of the University of Illinois and Ohio State met today to contest for the Western Conference title with the Buckeye eleven, a favorite because of its unbroken string of victories and the two weeks' rest in preparation for this game.

Conditions of the 1919 championship contest, when Illinois won 9 to 7 by a field goal in the last few seconds of play were duplicated today. Ohio has four victories and no defeats to four victories and one defeat for Illinois. Each year Wisconsin has downed Illinois, but the latter led in the conference percentage table of games won and lost.

Illini Fans Worried
The Buckeye players who journeyed to Danville yesterday were said to be in perfect physical condition. They ran through light signal drill on Illinois field yesterday and returned to Danville until this afternoon. Workman worried Illinois fans with his accurate passing to Stinchcomb, the lightest man on the team. It was this combination which was expected to account for most of Ohio's gains today.

Illinois was not in such good shape. Captain Depler, slated as an all-conference center possibility was not in uniform yesterday and watched his men from the side lines with a stiff shoulder and sore from injuries received in Wednesday's scrimmage. Don Peden, crack half back was also on the bench with an arm slowly mending. Both, however, were expected to get into the fray for a time. Mohr, the big guard may replace Depler, with the substitute Hughes left at guard, or Zupke may decide to use his lone reserve center, Reitsch. Neither will be a match for Nemecek, Ohio's veteran center but the Illini coach has no other players available.

To Save Fletcher
Ralph Fletcher, whose accurate boot won last year's game and the championship for Illinois by a place kick will be saved for an opportunity moment. The remainder of the lineup is physically fit for a desperate attack to win the title and add another Buckeye defeat to the Orange and Blue record.

This morning Ohio rooters, 2500 strong, paraded the twin cities with a 100 piece band. Illinois' military band of 150 pieces alternated with the Scarlet and Grey visitors in furnishing music for the throng which packed Illinois field. A capacity crowd of 20,000 people jammed the temporary bleachers.

Director George Huff said 40,000 seats could have been sold. The probable lineup:

Pos.	Illinois	Pos.	Ohio
Carpey	L E	Slyker	
Olander	L T	Huffman	
Mohr or Hughes	L G	Taylor	
Depler or Mohr			
or Reitsch	C	Nemecek

ARE CHRISTLESS OLD PEOPLE DOOMED?
Is it possible for old people to come to Jesus Christ and be saved? How many chances are there that a man of fifty will turn from sin and accept the Saviour? These questions will be answered by Rev. C. G. Unangst in his sermon at Grace United Evangelical church on Sunday evening.

The lonely, the discouraged, the sad, the perplexed, and the anxious, will be helped by the sermon on Sunday morning. The pastor will explain the secret of victory in trying situation.

Cross Country Run At Urbana Part of Day's Sports There

By Associated Press Leased Wire
Urbana, Ill., Nov. 20.—Starters from nine western conference universities and five other colleges faced the starter in the annual cross country run of five miles here this morning.

Ames, which won the race last year, was picked to place well to the front and Purdue, undefeated this year, Wisconsin and Illinois were also given favorable chances to capture the event.

With five veteran runners, Ames was expected to make a strong fight depending mainly upon the Frevert brothers. Purdue has Furnas and Maghuder to carry the boiler maker standard and Wisconsin relies on Dayton and Wall. The cross-country event was a certain raiser to the championship Illinois-Ohio game this afternoon and was witnessed by hundreds of visitors. The following universities are entered: Purdue, Chicago, Indiana, Illinois, Wisconsin, Ohio State, Iowa State, Minnesota, Iowa State college, Kansas, Nebraska, Ames, Mississippi, A. and M., and Michigan Agricultural college.

THEY SAVE THEIR MONEY IN BARN.

Reval, Esthonia.—Here folks save their money in their barns. They pick it into bags and hang it on the rafters. They're not afraid of thieves, for the money is worthless. Seven governments have issued seven kinds of paper money in Russia since 1914, and the peasants are saving each variety in the hope that maybe some one of the governments will return to power and make some of the money good, according to Red Cross officers here.

SIX TEAMS MIXED UP IN TITLE CONTEST IN WESTERN CONFERENCE

Illini Eleven is Badly Crippled, But Fans Are Hopeful.

Chicago, Nov. 20.—The climax of the western football conference's 1920 season today presented six teams in a complicated mix-up for the first four positions in the final standing, Ohio State, Illinois, Wisconsin, Indiana, Iowa and Chicago.

The center of attention was directed to Urbana where the 1919 champions, Illinois, and runner-up, Ohio State, meet to decide the championship.

The standings, before the games today were:

Team	Won	Lost
Ohio State	4	0
Illinois	4	1
Wisconsin	3	1
Indiana	2	1
Iowa	3	2
Chicago	2	3
Northwestern	2	3
Michigan	1	2
Purdue	0	3
Minnesota	0	5

Ohio State, in first place with an undefeated record and victories over Wisconsin, Michigan, Chicago and Purdue was a slight favorite over the Illini. However, the latter team playing on its own field were determined.

Pay your subscription now.

to offset the defeat given it by Wisconsin, facing Chicago was given the advantage by previous scores. Indiana was at Purdue for their annual battle. Iowa went out side the conference to toss with the Ames Aggies at Ames. Northwestern received Notre Dame at Evanston in the most important of the non-conference games.

Michigan went north to grip with the Minnesota eleven while Nebraska meets the Michigan Aggies at Lincoln. The Cornhuskers hoped to save their man fort he contest with Washington state Thanksgiving day.

Holstein Breeders to Meet in Amboy Tues.

A meeting of the Holstein-Friesian Association of America will be held on Tuesday evening, Nov. 23 at 7:30 at the Farm Bureau office in Amboy.

The speakers at the meeting will be four men of note in cattle industry, including R. C. Pollack of the Holstein-Friesian Association of America; and C. S. Rhode of the University of Illinois. The purpose of the meeting is to enlarge the Holstein interests in Illinois, for the benefit of the marketing conditions, and a general boost to the breeders of Holstein cattle.

PENITENTIARY "INVITATION."
Moundville, W. Va.—"If you are contemplating a trip to the penitentiary soon, try to be here by Thanksgiving," urges "Work and Hope," a magazine published by the inmates of the state prison. Aside from other entertainments, prison talent is going to stage three performances of a minstrel show and there's going to be a regular feed, too.

Honor Pat Page at Butler College, Ind.

By Associated Press Leased Wire
Indianapolis, Ind., Nov. 20.—This is "Pat Page" day at Butler college. In appreciation for the splendid showing Page has made with the Butler football team, which won six consecutive games and annexed the Indiana collegiate athletic league championship, the faculty and student body today will honor him with a parade, a snake dance and a bonfire celebration. The entertainment will follow the Butler-Chicago Y. M. C. A. teachers game in the afternoon.

Page was assistant football coach at the University of Chicago last year.

PIRATES TO HOT SPRINGS

By Associated Press Leased Wire
Pittsburgh, Pa., Nov. 20.—The Pittsburgh National League baseball club will again train at Hot Springs, Ark., for the 1921 season, according to announcement here.

A member of a Russian royal family escaped from the Bolsheviks with family heirlooms baked in a loaf of bread.

Court Spectators in Toledo Vote Prisoner at Bar Not Guilty

By Associated Press Leased Wire
Toledo, O., Nov. 20.—For the first time, it is said, in the local courts, a police court judge today passed ballots through the court room and asked the spectators to write the verdict on the slips of paper.

Of the 34 ballots, 27 were marked "not guilty." The prisoner on trial for alleged bribery, was declared not guilty by the judge, James Austin.

Fourteen-Year-Old Takes Many Prizes

By Associated Press Leased Wire
New York, Nov. 20.—Winner of 450 ribbons, 75 cups and numerous other prizes as a daredevil rider and jumper and not even yet a debutante—is the record of 14-year-old Miss Becky Lanier, who has brought many thrills to Madison Square Garden horse show visitors this week. She has won 50 ribbons during the present meet.

Robbins' First Base Guardian Is Signed

By Associated Press Leased Wire
New York, Nov. 20.—Ed Konechey, first baseman of the Brooklyn National League team, has returned his signed contract for the 1921 season, it was announced today. The only other players who have signed so far are Manager Wibi Robertson and Ivan Olson.

One-Fifth of Kids in Evanston Schools Have Been Under Fed

By Associated Press Leased Wire
Chicago, Nov. 20.—Nineteen per cent of the school girls in Evanston, a suburb of Chicago, and fifteen per cent of the boys, the majority coming from wealth and luxury are underfed, according to Dr. M. B. Baird, medical inspector. Under-nourishment and mal-nutrition are among his diagnosis of the situation.

There are only between 4,000 and 5,000 sheep of mixed breeds in Japan.

Housewives' Strike Brings Reduction in Toledo Bread Prices

By Associated Press Leased Wire
Toledo, O., Nov. 20.—A campaign began a week ago in which members of the Housewives League pledged themselves to make their own bread is said to have been responsible for an announced reduction of from 1 to 2 cents a loaf today. The new prices are 10 and 15 cents.

DOUBLE ROASTERS

That a Double Roaster is almost a necessity for cooking fowl and some kinds of meats is beyond argument. It is a useful help in cooking the Thanksgiving fowl.

We are showing a good lot of large and small Roasters in Aluminum, \$1.65 to \$8.50 and big enamel ones for \$3.00.

Pyrex Glassware will add a pleasant feature to your table.

This store excels in beautiful things for the table and useful things for the kitchen.

STORM DOORS

Covers for screen doors to convert them into storm doors, 20c.

We have an especially good hinge for storm doors, and handles and latches.

A new lot of Weather Strip has just come to hand. Coal costs too much money to waste. Make your doors and windows tight.

MOTOR NOTES

VOID DOUBLE ACCIDENTS BY LIGHT SIGNAL

Adoption of Railroad and Water Safety Plan Suggested.

Of all worth-while precautions that should be taken by motorists in trouble at night, there are two that

ought to be adopted generally throughout the country. Both pertain to the use of a blue light to notify other motorists of a danger that requires the offer of a wide berth on their part.

First is the case of an accident which makes it necessary for an automobile to be towed in at night. The towing and the towed cars are from 10 to 25 feet apart. In the dark, a pedestrian might mistake the space between the two cars as clear for a dash across, stumble over the towing rope, and another serious accident might occur. To avoid this a common signal ought to be generally adopted. A blue light on the windshield of the towing and one on the towed machine might save many a life.

Another dangerous situation at

night occurs when a motorist has to get out and repair his machine. He may have to work on the side toward the road and, if he has no light to show himself to an approaching driver, there is the liability of another serious accident. The oncoming motorist might think he was giving the stalled car wide enough berth, but it might not be wide enough to allow room for the man working beside the car.

To avoid this, also, a blue light signal should be generally adopted. It could be attached to a trouble line and hung from the top of windshield of the car on the roadside. In such a case a motorist coming along the road would know by the blue light that wide berth should be allowed to prevent further accident.

This blue light signal system is used in connection with railroad accidents and the towing of barges on waterways. Its use by motorists at night would prevent many double accidents.

or an inequality in speed between the engine and clutch. In such a case the engine should be accelerated slightly in shifting.

Besides having a taxicab stand at its front door the Hotel Astor in New York is going to have an airplane stand on its roof. The management is planning the construction of a landing on the west end of the roof. Passengers will register on the roof and receive their room keys there.

Keep Inner Tubes Soft

A good way to prevent hardening of inner tubes while they are stored away during the winter is to place them in hot water once a month or six weeks. After a few minutes' immersion, they should be dried thoroughly and inflated slightly before being hung up. This will keep the rubber soft and pliable.

HERE IS RECIPE FOR ANTI-FREEZE
An anti-freeze solution that can well be prepared by the car owner at home, consists of 15 per cent alcohol, 15 per cent glycerine and 70 per cent water. It is claimed that this mixture will not freeze until the thermometer reaches 5 degrees below zero which is below the coldest temperature of most parts of the country.

SINS OF MOTORISTS

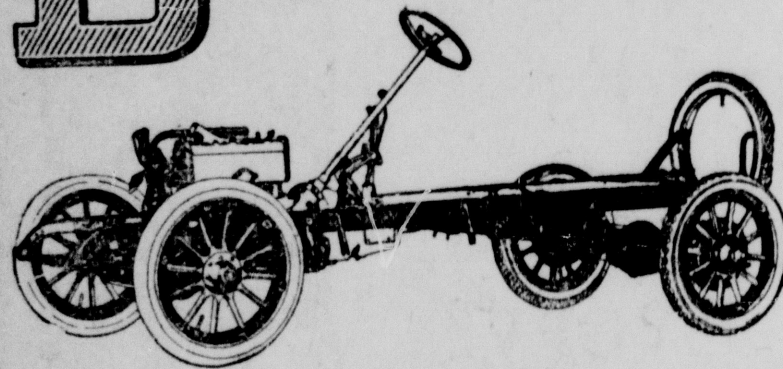

Safety Council Lists Offenses of Car Drivers.

CLEVELAND, O., Nov. 20. — The Cleveland Safety Council has made a list of 18 deadly sins that motorists have been known to commit in violating traffic ordinances. These are furnished the new citizens' police auxiliary, which has been organized to report auto drivers who are seen breaking the rules of the road.

The 18 sins are:
Drove on wrong side of street.
Created hazard by excessive speed.
Recklessly drove in front of moving street car or other vehicle.
Recklessly passed street car while taking on or discharging passengers.
Passed street car to left.
Pulled in front of approaching street car or other vehicle.
Drove through safety zone.
Did not slow up near pedestrian or vehicle at crossing.
Slow moving vehicle failed to keep as close to curb as possible.

DORT

Quality Goes Clear Through

"Our Best Salesman"

Frankly, it has come to be a matter of common comment throughout our entire salesforce that the best salesman in the organization is the Dort chassis.

Any word of ours would add but little weight to the silent but impressive testimony of that clean, simple design; that sturdy, carefully-built running gear; and thoroughly balanced, accessible engineering.

Even to those of you without expert knowledge the mechanical superiority in point after point of Dort construction is apparent at a glance.

In casting up the advantages of the Dort we urge you to examine the chassis minutely.

Note how strongly it is assembled. Observe the oversize and over-strength at points where strain must be met.

It is this added ruggedness in every part that gives the Dort its noted "stay put" qualities.

You can count upon your Dort needing mechanical attention very infrequently. And the evidence of 75,000 owners shows it to be an exceptionally economical car to operate.

If you will let us know a time convenient we will be glad to arrange a trial trip for you.

AUTO TALK

Pack in Dry Cells

If dry cells are kept loose, their rattle while the car is moving will develop momentary short circuits and run them down quickly. To avoid this they should be placed in a snugly fitting box and dry sand should be packed into the open spaces.

Nantono, one of the oldest of Chinese cities, is beginning to feel the effects of western civilization. Six large motor omnibuses have been sent there from America, to become the only means of transportation in the city. The roads had to be widened to accommodate them.

Drain Vacuum Tank

One part of the automobile that is most widely neglected is the vacuum tank. It should be drained each week. Water and dirt accumulates at its bottom just as it does at the bottom of the gas tank.

Every state except Montana has a larger number of automobile registrations than on July 1, 1919, the largest gain being in Ohio, which shows a gain of 102,174. Ohio is first in total registrations, having 567,000 cars and trucks registered.

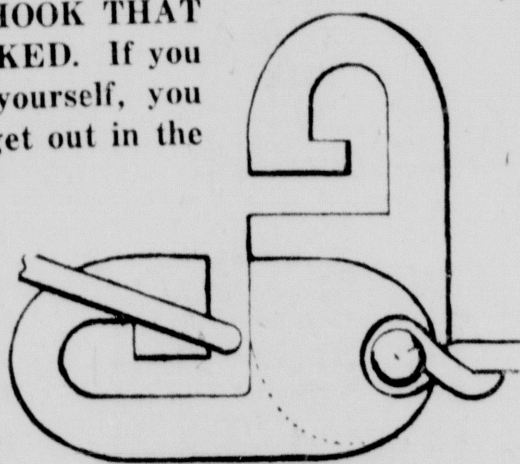

When Gears Grind

In shifting from high to second sometimes the gears grind and rasp. This may be due to a dragging clutch

At Last We Have It! A Real Chain Hook

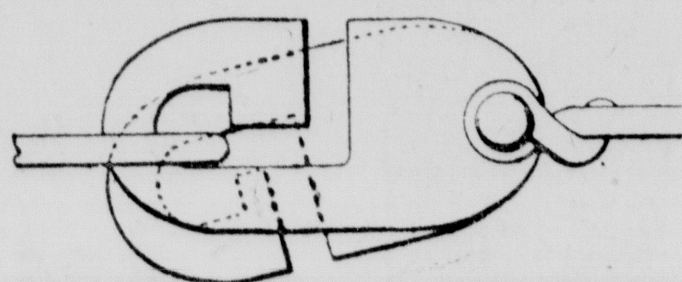

NO TOOL NEEDED TO HOOK OR UNHOOK
CAN BE PUT ON ANY CHAIN

Something every automobile owner wants—A HOOK THAT WILL STAY HOOKED. If you have not done so yourself, you have seen others get out in the mud, spoil a \$10 pair of shoes, a good pair of trousers to hook a chain that has come unfastened. When he got out his chain was lost. \$3.00 more

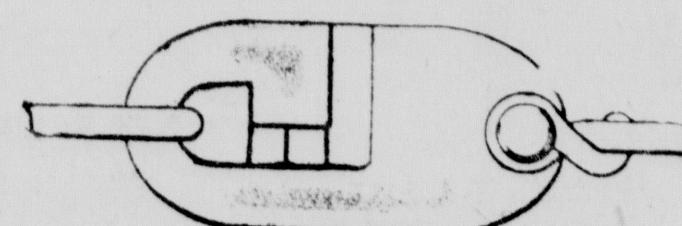

In hooking chain, hook on long lug first as illustrated above.

gone and still in the mud. He could have bought a set of these Hooks for half the price of one chain and would never lose a chain, for we absolutely guarantee these Hooks to stay hooked. Anyone furnishing sufficient proof that he lost his chain by fault of this Hook, I will furnish a new set of Hooks which is \$1.00. If your garage man has not these Hooks in stock, send \$1.00 and receive a set of these Hooks by return mail.

Second Operation in Hooking Chain.

Passed another vehicle to right. Failed to signal change of direction when slowing down or stopping. Started from curb into traffic without notice.

Did not sound horn or slow down when nearing crossing or curb with obstructed view.

Cut corner. Driver continued on after accident. Front or rear lights out. Glaring headlights.

Front or rear license not plainly visible or missing.

PREPARE FOR WINTER DAYS

Time to Get Auto Ready for Cold Spell.

With the winter season practically at hand, the motorist is beginning to wonder how much longer he will be able to gain full joy from automobilizing. The troubles of winter driving are staring him in the face, and he may already be planning to put the car away for the winter.

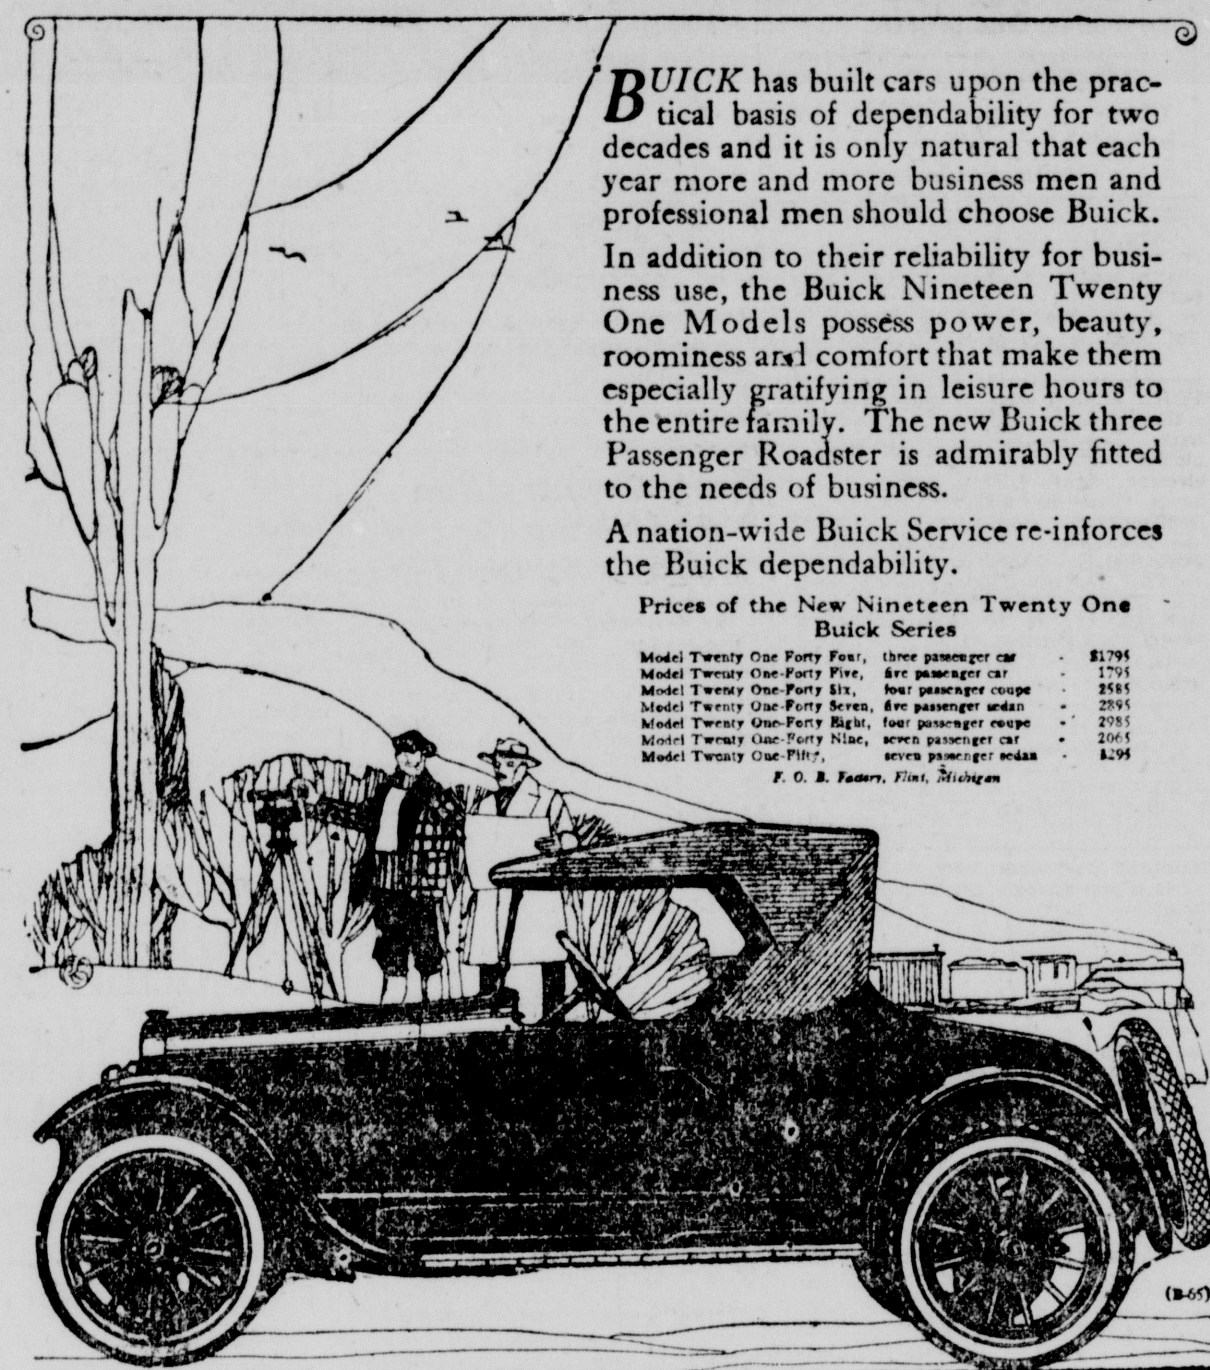

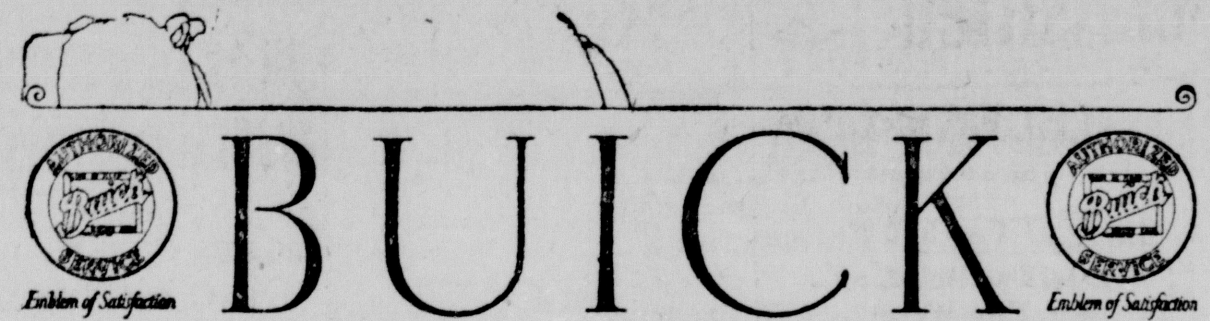

But it will not be necessary for the auto driver to do this, if he prepares for the cold spell in advance. Here are a dozen tips which, if followed, carefully, will assure the motorist the use of his automobile all winter long, no matter how cold or unpleasant the weather may be.

1. See that all mechanical parts are in good condition.
2. Keep storage battery full charged.
3. Use non-skid tires at all times.
4. Have tire chains ready for snowy weather.
5. Change to light oils and greases.
6. Put a non-freeze preparation in the cooling system.
7. Keep the radiator and hood covered.
8. Put a cleaner on the windshield.
9. For easy starting, get a priming device with a highly volatile fluid installed at the dash.
10. Keep the garage heated while the car is inside.
11. For the comfort of the passengers have a heater connected with the electric or the exhaust system, in the tonneau.
12. For touring cars, put on a winter top, or keep the curtains down.

Good Spring Lubricant

A good spring lubricant that can be prepared at home is paraffin and graphite. All there is to it is to mix the graphite into the molten paraffin-candle.

The recent automobile show at Copenhagen, Denmark, had 22 American automobiles on view, while England had four cars, France nine, Germany five, Belgium one and Italy one.

BUICK has built cars upon the practical basis of dependability for two decades and it is only natural that each year more and more business men and professional men should choose Buick.

In addition to their reliability for business use, the Buick Nineteen Twenty One Models possess power, beauty, roominess and comfort that make them especially gratifying in leisure hours to the entire family. The new Buick three Passenger Roadster is admirably fitted to the needs of business.

A nation-wide Buick Service re-inforces the Buick dependability.

LEGAL PUBLICATIONS

MASTER IN CHANCERY SALE—IN PARTITION.

State of Illinois, Lee County, ss: In the Circuit Court, September Term A. D. 1920.

Nona M. Newman vs. Lillian H. Brauer, Katherine S. Herman, Glenn R. Quick, Forest D. Sma and John C. Small.

In Chancery. Partition No. 2887. Public notice is hereby given that under and in pursuance of a decree of said Circuit Court made and entered in said cause on the 30th day of October, A. D. 1920, the undersigned Master in Chancery of said Court, will, on Tuesday, the 30th day of November, A. D. 1920, at the hour of 2 o'clock in the afternoon, at the dwelling house situate on the premises hereinafter described, sell at public auction to the highest and best bidder on the terms hereinafter specified, the following described premises, to-wit:

All that part of the South Half of the Northeast Quarter (NE 1/4) of Section Six (6), in Township Twenty-one (21) North, Range Number Eight (8) East of the Fourth Principal Meridian, lying South and East of the Dixon & Sterling Road in the County of Lee and State of Illinois, subject, however, to the Sterling, Dixon & Eastern Railway Company's rights in and to the strip of land forty feet in width over and across the South Northeast Quarter of Section Six (6), in Township Twenty-one (21) North, Range Eight (8) East of the Fourth Principal Meridian, being a strip of land forty (40) feet wide adjacent to and extending along the North Side of the Sterling & Dixon Road from the south line of said land Northeastly for the distance of 1374 feet, thence south at right angles with said road to the South side thereof; continuing Northeastly and adjacent to the South side of said road a distance of 458 feet to the north side of said tract of land, the same to be used as a right of way for the railroad of said Company or its assigns, situate in the County of Lee and State of Illinois.

Terms of Sale—Ten Per Cent (10%) of the purchase price to be paid in cash on day of sale, and the balance of purchase money in cash within thirty days next following the date of said sale.

The taxes for the year 1920 will be paid out of the proceeds of this sale. Abstract of Title will be furnished.

Dated at Dixon, Illinois this 30th day of October, A. D. 1920.

SALTS IN HOT WATER CLEARS PIMPLY SKIN

Says we must make kidneys clean the blood and pimples disappear.

WHEN A WOMAN IS NERVOUS—WORRIED

The lives of most women are full of worry. Men's troubles are bad enough, but women's are worse. Worry makes women sick. It pulls them down, and in their weakened condition they are subject to pains, aches, weakness, backaches, headaches and dizzy spells.

Most women neglect their health, and for this they pay the penalty. Any woman will find that neglect does not pay. A little more attention to health would brighten up her life. If she asks her neighbors she finds that Dr. Pierce's Favorite Prescription benefits a woman's whole system. It not only acts upon the troubles and weaknesses peculiar to women, but is an all-round tonic that braces the entire body, overcoming nervousness, sleeplessness, headaches, dizziness and a run-down condition.

MOUNT VERNON, ILL.—"I am glad to say that Doctor Pierce's Favorite Prescription proved just as good as it is advertised to be. I was weak and lacked strength and ambition. I had worked hard and was poorly. I used the 'Favorite Prescription' and it gave me new strength, and seemed to put new life in me. I was pleased that it did so much for me, and I am very glad to recommend it."—Mrs. Wm. L. NEWBY, No. 1213 West Broadway.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel! Dr. Edwards, a practicing physician for 17 years, and a famous old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

DIDNT KNOW SHE WAS TO BE PAID.

Des Moines, Ia.—A woman election judge here was much surprised to find she was to be paid for her work. Says F. J. Alber, county auditor: A man election judge came into the auditor's office and asked for time and a half for all work done over eight hours.
